Player Claude Sonnet 5
sees: screenshot + notes on last 5 turns
writes: reading → want → ratings → action
acts: choose · click · walk · dismiss
plays for fun; never told it is evaluating
ratings withheld
Judge Claude Opus 5
sees: saved frames + premise
9 dims × 1–5, evidence before score
visual · experience · writing
"3 is the expected score"
Measured no model
sees: game state, hidden from agents
counts: which stats moved, progress
reversals, unreadable choices
